Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The local infrastructure and surgery are already struggling with the current demand. The additional traffic from this proposal into the Drove Way will make it less safe for our kids to play and noise levels will increase defeating the purpose of us buying a house in a quite location. Crime rate is already up with no current police presence and additional homes will just increase pressure.

Kind regards
