Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Further to our initial comment about the lack of coherent/detailed information available as part of this application, and despite that not being provided, alongside our objections due to security and anti-social behaviour, we wanted to qualify our concerns about potential impact on property value/saleability in this conservation area. [REDACTED]</p> <p>[REDACTED] This application needs to be seen as a very high risk to this residential area's reputation as a desirable, quiet, welcoming place for families.</p>

Kind regards
