Reasons for comment:	
Comments:	Yet again I am objecting to unauthorised use of green belt land for gypsy/travellers. You are well aware of the destruction of the land/tress/fauna along White Post Lane caused by one family illegally building/placing a home on designated green belt. This is in addition to the existing residence on which planning was rejected and a court injunction placed to prevent further building on the land. Evidence the council has shows this area being developed again! The current application is a joke. The travellers for months have been preparing land illegally and digging under the road to run cables/services for the 8 homes that have already been tarmacked in preparation! As well as putting up large gates and fences. YOU HAVE THIS EVDIENCE FROM LOCAL RESIDENTS! Why is the council NOT PUTTING A STOP TO THIS ILLEGAL DEVELOPMENT NOW!

Kind regards
