Reasons for comment:

Comments:	I am writing to express my strong support for the refurbishment of an existing pub into a peaceful educational academy and place of worship in our community. This project will not only provide a place of worship for our Muslim neighbors but also foster a sense of inclusivity and diversity. The mosque will serve as a vital community hub, offering various social, educational, and cultural programs that will benefit residents of all backgrounds. By embracing this development, we demonstrate our commitment to creating a welcoming and harmonious environment for everyone. I urge the planning committee to approve this proposal, as it will enrich our community in numerous ways.
