Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am writing to express my strong support for the proposal to refurbish the flats into a HMO. This initiative will not only help alleviate the ongoing housing crisis by providing more affordable housing options but also support a worthy cause. The revenue generated from the HMO will be crucial in funding the charity's vital work and paying off its outstanding loans, ensuring its continued operation and positive impact on our community. Approving this proposal will benefit both the residents in need of housing and the charity's beneficiaries, creating a win-win situation for our town. I urge the planning committee to approve this project, as it aligns with our community's needs and values.

Kind regards
