Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	There is a big muslim community within Gravesend, having a local mosque would be fantastic. It would be walking distance for many people especially the elderly. Many people find it therapeutic attending the mosque for prayers and worship, and just spending some quite time in a mosque is good for the mental health of many people.

Kind regards
