Subject: Request for Permission to Establish a Mosque

Dear
Sir, madam

I am writing to formally request permission from the Council to establish a mosque in Peacock street . The proposed mosque will serve as a place of worship, Islamic education and community gathering for the Muslim residents in the area.

The establishment of this mosque aligns with the religious and cultural needs of the local Muslim community. We believe that having a dedicated place of worship will not only cater to the spiritual needs of the community but also promote tolerance, diversity, and understanding among different faiths.

The proposed location for the mosque has been carefully selected to minimize any potential disruptions to the surrounding neighborhood. We have taken into consideration factors such as parking, noise control, and architectural design to ensure seamless integration with the existing environment.

We are committed to maintaining open communication with the Council and addressing any concerns that may arise throughout the establishment process. Our goal is to create a welcoming and inclusive space that contributes positively to the social fabric of the community.

We kindly request a meeting with the Council to discuss the details of our proposal and seek guidance on the necessary steps to obtain permission for the establishment of the mosque.

Thank you for considering our request. We look forward to the opportunity to further discuss this matter and work together to make this project a reality.

Sincerely,

Your Name

Kind regards
