SIGNIFICANT HEALTH AND SAFETY RISKS
UNUSUAL AND DIFFICULT TO MANAGE ONLY

It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement. In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

DO NOT SCALE OFF THIS DRAWING

This scheme is subject to town planning and all other necessary consents.

Dimensions, area and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies or variations are to be reported to the architect before work commences. Figured dimensions only are to be taken from this drawing.

This drawing is to be read in conjunction with all relevant consultants and specialist drawings / documents and any discrepancies or variations are to be reported to the architect before the affected work commences.

Magnetic media does not constitute contract documentation and updates of this data will occur. These files are current as of the date of issue. You use the content of these files at your own risk.
