

Architectural elevation drawing of a two-story house. The house features a brown tiled roof with two chimneys. The walls are light-colored with a brick pattern. The ground floor has a small porch on the left with a dark door and a window. The first floor has a larger door and several windows. A dashed line indicates the first floor level, and a solid line indicates the ground floor level. A north arrow is located in the bottom left corner.

A 3D isometric rendering of a two-story house. The house has a brown shingled roof with two chimneys. The exterior walls are white with dark trim around the windows and doors. There are several windows of different sizes, some with dark frames. A smaller attached structure is visible on the left side of the main house. The house is set on a green lawn.
