Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: My reasons for objecting this application.

1. December 2024 trees were damaged whilst a static caravan was moved to the site with no planning permission. It has caused destruction to the road, trees that have been there for years and no care for the community.
2. They burn waste on the land as no doubt they have no bin collection to the site.
3. I e mailed KCC highways about the road being damaged and branches hanging out onto the road, only to be told it's not there area, but GBC problem.
4. In 2009 a high court injunction was issued on this land prohibiting any residential use of this land.

As a tax payer and home owner anything I do whether it's cutting back a tree with TPO against it or extending my house, I have to apply for planning first before I build. They have moved onto this land without any permission watched by GBC officers and police on the very day they moved onto the land.

Kind regards
