Reasons for comment:	
Comments:	Having lived close by for over 10 years the destruction of mature trees on the 19th of December 2024 is heartbreaking. The area is well known as an area of outstanding beauty and is used by many people for walking, dog walking horse riding and cycling. A traveller site is not suitable for this area and there has already been a caravan dumped in the lane which was subsequently burnt out causing the Lane to virtually impassable. I also witnessed further trees being cut down on Sunday 19th January with no regard to health and safety. A traveller site will also lead to unsuitable vehicles and traffic using a very narrow Lane Entrances and gates have already been installed. before the application was submitted causing a huge mess in the Lane.

Kind regards
