Reasons for comment:	
Comments:	I was reduced to tears when I saw the state of the trees in the Lane. Absolute disregard for nature and for the feelings of local residents. I saw the low loader in Wrotham road and it had already caused major traffic chaos on the main road. I did not think for one moment that they would attempt to go down the lane past the Church. The site is an absolute disgrace, Pepper Hill tip is more pleasing to look at. This illegal "mobile" home should be removed immediately. I suggest it is dismantled first or there will be even more damage done to nature. The owners have no regard to the feelings of the residents and the wildlife so NO regard should be given to them.

Kind regards
