Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	There has been an illegal siting of a large mobile home on the land already, which is unacceptable. Already there has been destruction of mature trees, woodland and ecological habitats which is illegal. A permanent injunction is in place to prevent future settlement on the land. Past planning applications have been refused for valid reasons which still apply. The site is within Greenbelt which must be safeguarded. It does not fall within the new term of "Greybelt" and furthermore is in an area of landscape importance, forming a space between Sole Street and Meopham.
