Reasons for comment:	
Comments:	Why do we need it they have already destroyed the land and 1 mobile home please do u think we are stupid it will never be 1 there will be loads and it's not fair on residents who have lived here and surrounding areas fir many years spent money on their properties to just see the prices drop substantially that's if they could even sell. I agree everyone needs somewhere but not here they is plenty of remote land elsewhere where it wouldn't be a problem

Kind regards
