| Comments:            | <p>This site has already destroyed and felled many trees along white post lane. They have abandoned a caravan on White post lane and there irresponsible behaviour has blocked the road and has resulted in vehicles crashing by the devastation they have left behind putting what looks like a static caravan onto this site.</p> <p>I believe giving permission to this application will give them the go ahead to destroy this area further and will cause mayhem in the area for locals</p> |
