Comments:	The people living on this site have no respect for anyone else living in the area. They have ruined the trees and surrounding area by bringing their static van onto the site. We saw them with chain saws and diggers demolishing trees and this shouldn't be allowed. They are burning rubbish and leaving rubbish for days behind their caravans. This is also falling onto the railway area. I have no proof but it is very suspicious that a couple of weeks ago a caravan was just left in the lane full of mattresses and then set light to. When driving down the lane anyone who comes out of white post farm makes you feel intimidated and we should not have to feel like that. We should feel safe.

Kind regards
