Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This site is protected from residential use under a high court and any change to this and the use would set a dangerous unprecedented to anyone who decides they are above the law and want to build housing on land that is protected. Planning was been refused for a very good reason and has been refused several times and must be again, No to application and No to this land being used for housing . Please uphold the law and do what is right for the environment.

Kind regards
