Reasons for comment:	
Comments:	<p>I wish to object to this proposal.</p> <p>The A227 becomes busier every year, and with the new Lower Thames Crossing, traffic will increase, even without hundreds of new homes.</p> <p>This site is adjacent to Helen Allison School, the pupils there need a quiet, calm environment. Building works would be incredibly disruptive and have a negative impact on those vulnerable pupils.</p> <p>The Longfield Road is narrow and not suitable to cope with additional traffic which a building site and new development would generate. This road is already very busy during school drop off and pick up times. The potential for a serious accident is huge.</p> <p>We should not build on agricultural land, it is important that we have land available to grow our own crops and not rely on imported food.</p>

Kind regards
