Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	* Dangerous access for 150 houses onto a tiny rural lane. * Loss of high-grade farmland. * Traffic: An estimated 1,440 additional cars using the A227, leading to potential gridlock and inadequate local diversion routes. The Lower Thames Crossing is expected to increase traffic further. * Infrastructure Strain: Commuter issues with full trains, limited bus services, and strain on already overstretched GP and NHS services. * Greenbelt: Site is greenbelt land not yet officially released for development.

Kind regards
