## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<ul style="list-style-type: none"><li>- Dangerous access to 120 houses - Potentially, 240 cars+ Delivery and Service Vehicles.</li><li>- Access and building adjacent to Helen Allison School. An SEN school, pupils are highly sensitive and this development will cause alarm, stress and sensory overload. The school depends on a calm, low noise environment and this will all negatively impact the wellbeing of vulnerable children.</li><li>- The site is high grade agricultural land farmed for centuries. Land contributes to food production.</li><li>- Longfield Road is extremely narrow with residents' cars parked each side and highly congested during school start and finish times.</li><li>- Longfield Road is constantly in use by heavy vehicles going to the weigh bridge at Green Street Green.</li><li>- Longfield Road speed limit 50 MP H from the houses/schools and people continue at that speed into Meopham.</li></ul>
