Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the plan to build this number of houses (well ANY actually) The village can't cope with the number of people here now, the large volume of traffic and the associated pollution, and I strongly object to taking away yet more green space which helps to "soak up" the existing pollution.

Kind regards
