Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the whole and any part of this proposed development on following grounds- This greenbelt land separates neighbouring villages, constitutes valuable agricultural land, supports extensive wildlife habitat and is the essence of the rural character of the area. As such it must be preserved. Brownfield sites on Gravesham and the development of the proposed new town at Ebbsfleet must be considered first. Local village facilities including the medical centre, schools, water supply, and roads cannot sustain any part of the increased residency associated with this and other applications on the immediate area.

Kind regards
