Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this application on the following grounds. This is greenbelt land and prime agricultural land which contributes to our food security, it should remain as such. Developing this land would have an adverse affect on wildlife. There would be an unacceptable merging of Meopham and Sole Street, something that the greenbelt exists to prevent. The proposed access roundabout would result in an urbanisation of a country lane. The local infrastructure cannot cope with a development of this size and roads including the A227 are already congested. There is a brownfield first policy in place and brownfield sites already available in Gravesham should be developed first.

Kind regards
