Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Infrastructure- GP surgeries already at capacity. Traffic increase plus pollution increase and light pollution. Emergency vehicles to Norwood lane would be impeded. No lift at station for disabled or pram. Cumulative effect of development in area should be considered. Flood mitigation- open fields capture water reducing flooding. Open land acts as a carbon sump. Food security. Green belt policy: should prevent urban sprawl by keeping land permanently open preventing merging of villages. Safeguard of countryside. Preserve character of villages - sole street and hook green will be shattered by excessive impacts on local amenities already at capacity.

Kind regards
