Comments:	Wrotham Road by Woodlands park is already an extremely busy area and with a McDonalds, I feel this would only cause more traffic and disturbance for the local neighbours. Another concern is rubbish. Firstly to the surrounding roads as people dump their containers once eaten. There is clear evidence of this already along Cross Lane East, due to Favourable Chicken and the Vape shop. People, including the pupils of St George's are frequently at the chicken shop at lunch and dispose of their containers on the street on their way back to the school. This is already so unsightly and unfair on residents. There's also the concern of rubbish being left in Woodlands park, where people could potentially congregate to eat. This is a lovely residential area and allowing a McDonalds to open at this premise is going to be such a shame to all the local residents.

Kind regards
