Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the planning application for the following reasons: The village does not have the infrastructure to cope with anymore residents. You will not give approval for additional schools and Dr's and the local roads cannot cope now. I was born in Meopham 61 years ago and have seen a lot of changes. This is too far and the village would not be able to cope. You would spoil a historic, beautiful village. The local hospitals cannot cope now, I recently took my elderly mum to A & E and waited 7 hours, she then slept on a bed in the corridor! We are not trying to be awkward it's just common sense that there is one road in and this would be permanently grid locked and very dangerous. I love Meopham and the surrounding area, please don't spoil it.

Kind regards
