Reasons for comment:

|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Comments: | <p>This is greenfield site. There is already an injunction preventing development. The work they are asking for planning for has already had work started contrary to planning law.</p> <p>This development will seriously damage diversity of the wildlife including rare birds.</p> <p>The development has already damaged various trees and plants in the surrounding area without any care.</p> <p>There is no statutory connection to drainage,water or gas.</p> <p>Light pollution is already happening in a rural area and should not be allowed.</p> <p>It is not in keeping with the local environment or neighbourhood.</p> |
