Reasons for comment:	
Comments:	I strongly object to the building of homes on this green belt land. Our village cannot tolerate expansion, the GP surgeries are already at capacity, the roads clogged, frequent flooding from overbuilding in this area. The fields concerned are farmed to produce food and crops. Sole Street, with its unique character, is and should stay a separate village with the land between a natural habitat for many species of birds and mammals. Finally the impact on traffic along the main road, which is already used as a cut through between the A2/M2/M25 and the M26/M20 as well as the small country lanes would be unbearable. Traffic would generally be at a standstill for many hours of the day.

Kind regards
