Comments:

I would like to object to 5 The Yews' planning permission.

I note that the prior planning authorisation was altered, although not significantly.

1. The front dormer window does not match the road's character.
2. The roof line not in keeping with the rest of the road, the plans are trying to make a 5 bedroom house from a 2 bedroom bungalow.
3. To create space for the additional bedrooms upstairs, the roof is being extended to both sides of the property. This is not in character with the existing properties in the road. The dormer window at the front of the property is also out of character and allows for the overlooking of our property.
4. There aren't enough parking spots, and the road can't accommodate any more vehicles. Unless the driveway is to be altered. For the size of the proposed property no information regarding the parking/street parking which could affect access to the other residence of the road.

Kind regards
