Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this proposal for the following reasons:

Unresolved planning matters relating to highway and traffic matters (traffic in this area and specially that junction is already dreadful every morning), drainage and wastewater (area already susceptible to flooding).

The permanent loss of yet more agricultural land which would not only affect Meopham but also sole street as they would effectively become one. Several reports have confirmed various types of rare and endangered Wildlife in the vicinity which would all be pushed out.

If the proposal is so big it needs a new school, why does it need to be in a village that already has schools, It could be placed further away on the 227 where it wouldn't place extra burden on already stretched infrastructure.

Kind regards
