Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to planning application 20260207 because it will destroy the countryside and green spaces which we rely on for our health and well-being and food security. The development would cause urban sprawl by joining the villages together. The GP surgeries are at full capacity and the one hospital we have cannot cope. There's insufficient drainage and sewage and the area is prone to flooding. The rural roads cannot cope with the dangerous volumes of traffic and size of vehicles (HGVs) and speed. The development will lead to high levels of air and light pollution

Kind regards
