Reasons for comment:

Comments: I think a fast food restaurant here will have a detrimental impact on the local area. As a volunteer litter and Street Champion I know first hand the amount of fast food litter that blights the vicinity around Woodlands Park and Wrotham Road. I also think the extra traffic build up will cause many problems as the road is a very busy route into Central Gravesend. Also it should be taken into account there are two schools locally which extra traffic will be detrimental to air quality. It should also be noted that the council should not be encouraging children to poor dietary junk food.

Kind regards
