Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property was designed and built in 1960's at a time when cars were fewer and narrower. The proposed change widens driveway space to provide better and more appropriate parking and reduce the need for on-street parking.

☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Details of the pre-application advice received

As per the attached application, the summary advice was:

"From the information submitted within the pre-application enquiry, the applicant is invited to submit a Lawful Development certificate for the hardstanding works to the frontage of the property and for the instillation of boundary fence."

"Should the proposal fall outside of the requirements of the above mentioned parts of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), a householder application would be required to be submitted."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
