Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is already heavy traffic on Peacock Street due to people using it to park and go shopping of to the gurdwara and residents cannot park on their own street. Having a HMO and a mosque with prayers at 04:30am and near midnight when people are sleeping is outrageous in a residential area. There will be increased footfall, traffic, noise and further disruption to residents who already struggle to park and live in the street.

Kind regards
