Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is not acceptable in my street and should not go ahead. I strongly object to the noise and volume of people in our street that this will generate. Please keep to the original objection and do not accept this revised application. I already have to park in the Parrock Street car park as there is never parking on the street let alone near my house.

Kind regards
