Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Meopham is a beautiful village with lovely walks, wildlife and people. Increasing housing will spoil our landscape, ruin the wildlife. Also our NHS, GP and schools can not cope as it is without increasing the numbers. The Wrotham road is a busy road which will be unbearable with more traffic it will be more like the M25. Meopham should not have high levels of traffic on this road, it is difficult enough to cross the road now where I live and I have to do this regularly as I do not have parking. I strongly object to the building of more properties, there are plenty of other areas where properties can be built independently of another village, why can't this be looked into?

Kind regards
