Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Although this is happening at the top of the road the impact of this building is going to affect down here. Parking is a nightmare and the increase of commercial vehicles using these inappropriate roads while building is going to impact everyone. The roads aren't wide enough for lorries and parked cars will be damaged. There also isn't enough parking already and now at least 5 more cars is going to displace cars down though Alexandra to Waterton Avenue which is already bad enough. I wouldn't want a flat overlooking my garden so I would hate to think what those in Lower Range and Empress Road think is going to happen to their privacy

Kind regards
