Reasons for comment:	
Comments:	I object to this project happening, I have lived here my whole life! The reason we live here is mainly because of the view from our house which is right where you want to build!! Which is a selling point of our house. We never want to move from here so don't give us a reason to! Let alone the fact you can't get a doctors appointment as it is! Which will definitely make it worse! The traffic is building up more by the day! Trying to get on the a2 in the morning is crazy! The bus service is already shocking!! Even our little local shops & car park are over used! Just ruining the environment around us!!

Kind regards
