Reasons for comment:	
Comments:	This is greenbelt land and had an injunction order in place to protect this very area, Gravesham Council should be ashamed that they are not protecting this land and not fighting the illegal occupancy through the courts. What does this mean for the rest of the community if it isn't upheld? I suggested that precedent has been set and therefore we are all allowed to occupy land with accommodation! Alas, planning permission and the expense that goes with it is now forfeited.

Kind regards
