Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the current and further occupation and expansion of this location given the status of it being green belt land and protected under a high court injunction. For it the even possible to be open to planning permission raises serious concerns about the governance and credibility of the rules and laws under this current Council personnel. I draw attention to the fact that 'we' are bound to protect the land and it is the duty of the Council to uphold these rules and laws, and if they choose not to, then the public should interpret this as reason to not comply with such rules and laws themselves.

Kind regards
