Reasons for comment:

Comments:	I am writing to object to the new plans proposed for cherry dene, Norwood lane. The size of the building at the back is already too big for the plot. It over shadows [REDACTED] garden, blocks light and has taken away [REDACTED] privacy. To now add a large window at the front and side velux windows will further take away [REDACTED] privacy and will be worse for several of our neighbours. The house already does not represent the original plans and appears to have been moved forward and nearer our boundary. No thought has been given to neighbours so far in this planning. [REDACTED] building site that operates 6 days a week has been unbearable, the noise, dust, loud music and shouting daily. Not to mention having large lorries alongside the boundary that was previously quiet garden space. This should be refused. This whole project has been about greed, firstly from the landowner, architect and now the builders. Greed at the expense of neighbours privacy and well being.
