Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I strongly object to the application for additional travellers to occupy White Post Lane. The effect of the approval of this application will have a profound effect on the village, the environment and the villagers that currently reside there. The increase in traffic and their attitude towards villagers is already having a detrimental effect on our village plus their contempt for the environment that they live in is also very concerning. It is the responsibility of the council to protect our villages/residents and environment and this responsibility is not being withheld.
