Reasons for comment:

Comments:	Traffic congestion will be a massive problem the ques to get out of the village between 7-9am are already madness.
	Dangerous turning outside a school.
	Environmental impact - bats
	Air pollution increase
	Local Drs won't cope along with all the other housing developments wanting to also build in the area.
	Social housing is an issue in itself.
	Plenty of other areas in central gravesend that are already built up that or derelict that should be used before green belt land.
	Flooding
	Not enough car spaces

Kind regards
