Reasons for comment:	
Comments:	<p>We do not need the number of proposed dwellings that are listed in the various applications around Meopham</p> <p>The infrastructure cannot support them. There are insufficient amenities proposed for the increased population the roads cannot support the extra traffic. Once the brown belt available sights have been cleaned up and used, the roads, drainage/water capacity improved and there is a proven need for more housing for the local population then you have a better right to request more development.</p>

Kind regards
