Reasons for comment:	
Comments:	The area is already heavily congested with traffic more houses will create even more. Our drs surgery struggles with the number of patients and the local hospital does not have enough beds now so lots more houses with families is not sustainable. At school time Meopham almost comes to a standstill and the schools also would need to cope with lots more children. Building this number of houses will change the rural feel of Meopham and will change the area forever.

Kind regards
