Reasons for comment:

Comments:	<p>This planning application should be refused as it goes against the most recent Government National Planning Policy with regard to highway safety (difficult access on to an already busy A227), air pollution caused by additional traffic, inadequate public transport to train stations, loss or damage to irreplaceable ancient woodlands and habitats.</p> <p>Additional flooding could occur.</p> <p>Existing schools and doctors' surgeries are already at full capacity.</p> <p>Has an environmental study been carried out that would ensure there will be sufficient water for everyone?</p>
