Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The impact this development would have on the roads would be catastrophic....the A227 is already a nightmare and when there's a problem/accident traffic goes down all the back lanes that then causes a grid lock....another 100+ houses will cause the whole area to be like a car park...stationary and nobody able to move!

Kind regards
