Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We are fortunate enough to live in an Area of Outstanding Natural Beauty, and it is imperative to maintain the scenic and pleasant nature of our countryside. Buildings like this are eye sores and only create further problems through building work and increased traffic. It seems that if this were to be approved, then we are fine with selling the natural beauty of our landscape for no benefit to the large majority of local residents.

Kind regards
