Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I Object to the size of the building. Surely the height is completely not necessary for its usage. The amount of traffic which will come with allowing such a large building in this small village. We already have problems with traffic, when the A2 is congested. the village has many young children walking to the bus stop on the main sole street road, at risk every day as we are not allowed a footpath. So to allow permission for a large building like this will bring massive lorries coming through the village. Putting people in danger.

Kind regards
