Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this application. The area is a beautiful country lane and should not be spoiled by heavy vehicles coming in and out of the nursery. It's an area of absolute beauty where you often see wild life in abundance. This would be ruined by excessive heavy vehicles using the lane. Scaring off the wild life. Passing vehicles in the lane is already made difficult but lorries will be a nightmare

Kind regards
